INTRODUCTION

MGNREGA is centrally sponsored right based flagship scheme. In the year 2006-07 with the collaboration of Central and State government, this program was launched to support rural families by providing 100 days employment (150 days in drought affected areas) in one fiscal year to control the migration of rural residents to town/cities and give employment to those families who wish to do unskilled work. It is being implemented throughout the country.

Objectives:

- Ensuring social protection for the people living in rural Karnataka through providing employment opportunities.
- Ensuring livelihood security for the poor through creation of durable assets, improved water security, soil conservation and higher land productivity.
- Strengthening drought-proofing in rural Karnataka(137 taluks affected by drought during 2015-16)
- Aiding in the empowerment of the marginalised communities, especially Women, Scheduled Castes (SCs) and Scheduled Tribes (STs), through the process of a rights-based employment program.
- Strengthening decentralised, participatory planning through convergence of various anti-poverty and livelihoods initiatives.

Overview:

Nelogal Gram Panchayat is situated in Haveri Taluk in Haveri District, Zilla Panchayat HQ is about 15 km from here. Nelogal Gram Panchayat is basically with population of about 4065 . it has 33 Grama panchyath. Out of total agricultural land, about 80% of the land is dependent on rain for agriculture. Migration for their livelihood was on the cards. It was at this juncture that MGNREGA intervention came to their rescue. The initiative of construction of large number of cattle shed to provide employment.

Overview:

The Cattle shed construction under Mahatma Gandhi Rural Employment Guarantee Scheme made positive changes in the lives of rural People in Haveri and other districts. District teams of NREGA took initiative to construct Cattle sheds, poultry rearing centers and sheep sheds in the houses/lands of farmers. These Schemes indeed helped farmers as well as non-agricultural workers in rural areas.

In rural India animal husbandry is one of the main sources of income. Rural peoples are largely dependent on animal husbandry for earning to fulfil their daily needs. Most of the rural people face sanitation and health issues due to rearing of cows, sheep, goats, and buffalos in unhygienic conditions. To improve their livelihood and health in rural area Hon'ble CM's 21 point program for all round development of villages was launched in 2013-14. In this program importance to the construction of cattle shed and sheep sheds were given. This programme started at the Gram Panchayat level to reach the rural people effectively.

Hence, initiative taken up to protect the rural livelihood as well as animal husbandry through construction of sheep and cattle sheds. Cattle sheds not only improves the condition of livelihood of rural people but also improves and safeguard the cattle.

The sheep and cattle shed programme under MGNREGA is in huge demand across the State. This programme is mainly concentrating on the families belonging to SCs, STs, BPL, beneficiaries of land reforms, IAY, tribal people living in forests. Programme and are very vocal. This is playing the key role in success of implementation of this scheme.

Identification of beneficiaries and administrative approval and technical approval:

Identification of beneficiaries is done at the planning stage. Beneficiaries are selected through the Grama Sabha. This programme is implemented by Gram Panchayath after approval by Grama Sabha. The Action Plan approval is obtained from Taluk Panchayath and Zilla Panchayath CEO, who is DPC for MGNREGA
